ANGLICAN BOARD OF MISSION
Working for Love, Hope & Justice

In today's gospel reading we find Judas carping about the cost of the ointment that Mary spreads over the feet of Jesus in an act of love. St John tells us that this was because Judas used to embezzle the disciples' common funds. If I were to examine myself, would I find areas of my life where I complain about others to cover my own iniquity?

• Jesus Christ, the Suffering Servant, may I not fool myself or others into thinking I am good when I behave badly.
